BENEVOLENT AND PROTECTIVE ORDER OF ELKS

AUGUST, 2011

PROVO, UTAH

VOLUME 65, ISSUE 3

## EXALTED RULERS MESSAGE:

I can't believe I am writing a letter for the August issue already. I think spring, taking June away, makes it feel like we lost a portion of our summer. On June 25th, a number of Elks from Provo attended the Tintic Lodge Poker Run and we had a blast. A lot of fun with a lot of friend supporting another lodges activity. If you weren't there, you should consider attending next year.

Because I have to submit this to the printer prior to leaving for the Grand Lodge Convention, I will have to report in the next issue. about the voting and the experience. One thing that I know happens at convention is that I become a Past District Deputy. It is a very big honor to be a Grand Lodge Officer and hold such an office. I learned a lot and this should help me to better our Lodge. I thank Don Dapelo PGER for his recommendation and support. Speaking of Don Dapelo, due to poor health Don is no longer our state sponsor. Jim Grillo PGER is our new state sponsor. Provo Lodge will greatly miss seeing Don. God bless you and we hope you feel better soon. Congratulations to our new District Deputy Hortt Carter from Eureka Lodge. He will do a great job!

At the Flag Day ceremony, Troop

51 once again retired and properly burned the flags of our lodge. The scouts and their families totaled over 30 in attendance. They also made us a fire pit for burning the flag with their troop and number cut into it as well as Provo Lodge No.849 and left it as a gift to our lodge. I inquired about sponsoring them in addition to our Venturing Crew. They stated that they have been sponsored by Provo Community Church for the last 90 years. But they are proud to now considered to be affiliated with our Lodge. We are very proud to be affiliated with them. Provo may consider holding our own ATV poker run annually in the near future. Maybe when the colors change?

Things are very slow at Provo

Lodge. Dinners on Fridays are still happening but check the calendar on page 4 to insure we are serving the evening you would like to attend.

Vic Balsano, partner and Maitre di from Ottavio's, has been volunteering in the dining room as maitre di. He is also on the house committee and has brought some great ideas forth to take away the cafeteria atmosphere in the dining room. The house committee will be looking at those and discussing these with the trustees.

See you at the Lodge.

Fraternally,

John M. Belvedere, PDDGER

*Please, if you know of any sickness or distress in the home of an Elk, please notify the Lodge (801) 373-0849. Many times we are placed in an embarrassing situation because a member or a member of their family was hospitalized or ill at home and was not called upon by the Lodge. We all appreciate it when our friends wish us well when we are under the weather.*

# LADIES OF ELKS

## My Sweet Ladies,

Well this summer is starting to fly by, I guess that is because June was so much like spring, I know you were all sick of the weather but hey it is great that for at least a year we don't have to worry about water! So I hope you all had a great 4th of July, I know I did.

In was looking forward to going to National Convention but as I am writing this letter I am sitting in the ICU with John! As you have proba-

bly heard John our ER had a really scary time, but he is doing so much better now I guess this a wake up call to all of us, if the doctor tell you to do something then guess what he probably know what he is talking about.

The Ladies have been doing deserts on Friday's at the Lodge and I am hoping that this is something we can continue doing this it seems to be going well. I want to thank Mary and Bertha they have been manning the table.

I know our summer is always filed with visiting family and other fun sites. I hope you are all careful traveling but have so much fun!

Last month we were able to go to Tintic Lodge and ride in the poker run! Talk about fun, it was so nice to travel around the mountains and be with friends. It is so fun that you can help people, raise fund and really have fun. After all isn't that what the Elks is all about?

I really hope that we can come up new ideas! There are so many charities that we help and so many that need the help. I know that Gretchen has some great ideas and I am ready to get them going through the year.

So put on your thinking caps and some up with some ideas and lets get them going. This is the best organization and I know what great things we can do!

Just know, it only takes a few people to make great changes and this is that group that can do it. You are all great!

Again if you have any suggestion or comments please email me at [tteeples69@hotmail.com](mailto:tteeples69@hotmail.com). Love ya'all and have a great July!

Tinamarie Teeples  
LOE President-Elect

## **My Membership Card in the Elks**

By Robert S. Barrett

Chairman of the Good of the Order Committee of the Grand Lodge

I HOLD in my hand a little scrap of paper, two by three inches in size. It is of no intrinsic worth, not a bond, check, or receipt for values, yet it is my most priceless possession. It is my membership card in the Benevolent and Protective Order of Elks of the United States of America.

It tells me that I am an American citizen-the proudest title in all the world that can be conferred upon a man. It tells me that I am the peer of emperors and kings, the ruler of my own destiny, the maker of my own fortune. It tells me that I am a citizen of a land where democracy rules, where brotherhood prevails, where tolerance holds sway, where justice is enthroned.

It tells me that I have joined with 800,000 other Americans in the pledging of allegiance to our country and its laws; in placing the American flag first in our hearts as loyal Americans and first upon our altars as loyal Elks.

IT TELLS me that I have entered into a spiritual and material kinship with my fellow Elks to practise charity in word and deed; to forgive and forget the faults of my brothers, to hush the tongue of scandal and innuendo; to care for the crippled, the hungry and the sick; and to be just to all mankind.

It tells me that in 1,500 cities under good fellowship prevails - a home among brothers and friends; a borne dedicated not only to the high principles for which the Order of Elks stands, but to the need of play, which is inherent in the heart of every man.

It tells me that my loved ones, my home, my fireside, and my household, are under the protection of every member of this great Order, who has sworn to protect and defend mine, as I have sworn to protect his.

IT TELLS me that should I ever be overcome by adversity, the hand of every Elk in all the world will be stretched forth to assist me in my necessities.

It tells me that if old age should find me alone and homeless, that, as an honored guest of our Order, surrounded by my old comrades, and with every comfort and luxury, I may sit upon the veranda at Bedford in Virginia, and watch the evening sun sink behind the Peaks of Otter for the last time before my fading eyes.

And, finally, it tells me, Brothers, that when my final exit from the stage of life has been made, there will be gathered in my Lodge Boom friends and brothers, who, when the Eleventh hour has been struck, will recall to mind my virtues, though they be few, and will write my faults, though they be many, upon the sands.

# Buy A Blind leave the Glare Behind

When the sun is setting in the west, it is in the eyes of those facing the windows in the lounge. It has become a big problem, even for the staff. \$50 will purchase a blind for one window and include a nameplate of who sponsored it at the bottom.
