VOLUME 65, ISSUE 4

EXALTED RULERS MESSAGE:

I would first like to start off this month by thanking the members for sending prayers my way. They worked. For those that don't know, On July 11th I had complete kidney failure, three cardiac arrests, fifty minutes CPR, and was listed as not expected to make it. I spent one week in ICU, and two weeks in a regular room, recovering before going home. Contrary to what was expected, I have no more brain damage than I had before and I can still walk. The last 849er was done from my hospital room. Thank god I had a strong heart, my family, and your prayers. I will be at the first meeting in September. Thank you Tina Teeples, our Leading Knight, for filling my position in my absence and handling the August meeting. I would also like to thank the staff, officers, and members that stepped up. Moral of this event, PAY ATTENTION TO YOUR DIABETES!

I was unable to attend the Grand Lodge convention and our alternate delegate, Phil Johnson, did. A report and resolutions that passed and failed were read at the meeting held in August. Thank you Phil for covering for me. and representing our Lodge.

A huge pat on the back and a great deal of appreciation goes out to our annual golf tournament committee, Jeff and Monique Hartley, and Greg and Brenda Shaw. I was informed that all had a great time and everyone wants to stay in Fairview. The staff in Fairview would like to do more for next year. Looks like we may have a great new location. Sorry I missed out.

September is an end to summer break at the lodge. We are back to two meetings a month, LOE and PER Meetings resume, and attendance begins to rise. Come on down and have some fun.

Purple Days is on the 27th of September. This year Adalinda is shak-

ing things up a bit since the Johnson Brothers decided to retire from this. She has a Luau planned that sounds great. The price is only \$10. This is a big event for the lodge and is usually very well attended. Thanks goes to the Johnson Brothers for your past years of cooking. Check out the details on the back cover. All proceeds benefit the Elks National Foundation.

Bingo Chairman Pete Evans is back and bingo begins this month. Bingo helps a lot of the charities and your Lodge. Check out the calendar.

I would like to thank Brian Hartley for fixing the doorbell at the main entrance. It is much nicer without all the tape.

Please, if you know of any sickness or distress in the home of an Elk, please notify the Lodge (801) 373-0849. Many times we are placed in an embarrassing situation because a member or a member of their family was hospitalized or ill at home and was not called upon by the Lodge. We all appreciate it when our friends wish us well when we are under the weather.

LADIES OF ELKS

My Sweet Ladies,

READY! SET! GO! Well it looks like it's that time of the year again. This is always the most fun part of the year! I hope this year we will be able to come up with some new ideas for all of us, and lets make it a fun and exciting year. I know that Gretchen has some great ideas for the ladies projects this year, I can't wait for all of you to hear them.

I hope all of you had a great summer and tons of fun for you and your family. We will be starting off

the new year with our Purple Days September 24th, Adalinda and her team have some great plans. We will be having a LUAU. So lets make it a day and enjoy each others company.

Yes, it is time for us to start to thinking about the Harvest Ball, and it sounds like it will be a great time as always. I know that Ada and her team are thinking of a Scottish theme, so what a great way to travel to another country and not leave Utah.

Also next month is the Kids Halloween party which Peggy will be heading again this year. Let's all let Peggy know that we are there for her! This is such a big event and we all need to pitch in and lend a hand.

Now that we can have associate members lets hit the streets and bring some more fabulous ladies in to see what a great organization we have and introduce them to the wonderful ladies I have had the

privilege of knowing.

Over the summer we had a big leak in the room because of poor plumbing and Scott Larsen came in and fixed the leak and replaced the ceiling tiles and please thank the Lodge Trustee's for getting the room repaired.

I would like to put together a team who would like to take on the challenge of decorating the LOE room. We have so many talented ladies that could put together a great room.

Again if you have any suggestion or comments please email me at tteeples69@hotmail.com. Love ya'all and have a great September.!

ELKS NATIONAL FOUNDATION

GL Newsletter, September 2011 GER Message: Teamwork is key to organizations' success

A Message from the Grand Exalted Ruler
Hon. David R. Carr

To All District Deputies, Exalted Rulers, Officers and Members:

Most organizations recognize good leadership as the key to success with teamwork being the primary contributor to that success. It is important that the Exalted Ruler, as Lodge leader, listens and constructively responds to points of view expressed by others, gives others the benefit of the doubt, supports those Officers and committees who need it, and recognizes those Officers and Members who "*Give from the Heart*" by volunteering on behalf of their Lodges.

The Exalted Ruler alone cannot do everything necessary to ensure Lodge or program success. A team melds together the skills, experiences and insights of several Members. It is important that every Lodge Officer and program coordinator attends District Deputy Grand Exalted Ruler Clinics. Officers and Members can become better acquainted with Grand Lodge programs by attending these clinics and using the Grand Lodge manuals and materials.

Lodges conducting successful programs enhance pride in their Members. Pride is contagious and will result in fewer Members dropping out and creating an interest in others to become a part of your Lodge.

Many Members are unable to attend Lodge meetings or other activities for various reasons. They rely on the Lodge bulletin as their primary source of communication, and it is important to include something in each edition that will make them proud Elks. A photo of a child, veteran or disabled person being assisted by your Lodge can help to generate that pride.

With our school-year now under way, I hope your Lodge has joined our national effort to "give the gift of words" to elementary students. The Dictionary Project has received praise from students, teachers and staff nationwide. Our Members likewise support this program, which targets third-grade students who are just beginning to learn to use a dictionary.

Next month is Elks National Foundation Month. I encourage every Lodge to schedule a function that will help you increase your Lodge per capita. The more we give, the more we receive for our charitable programs.

Thank you for *Caring and Sharing*.

Organ & Tissue Donation Program

The Benevolent and Protective Order of Elks of the USA has joined forces with Donate Life America to increase donations of organs, eyes and life-saving tissue.

The Grand Lodge, Lodge Activities/State Associations Committee is asking Elks Lodges nationwide to promote the Organ Donor Program in their Lodge Bulletins and Lodge Web sites to help inspire members and citizens in their communities to make these life-saving donations.

The need is paramount. More than 110,000 patients were waiting for organ transplants as of March 2011, according to the Donate Life America Web site, www.donatelife.net. Only 28,663 organ transplants had been performed in 2010, and even fewer - 14,502 - organ donations had been made in that year.

We Elks Members can help close the gap! The effort of Lodges to promote the program through their Bulletins and Web site can gain them five points in their quests to be named an All American Lodge. More incentives will be announced in coming years as the program takes shape throughout Elkdom.

For more information on the importance of donation and how to become a registered donor in your state, go to the *Donate Life*SM web-site, or by logging onto www.donatelife.net. This is a great way to show that "*Elks Give from the Heart.*"

ELK OF THE MONTH

Our Elk-Of-The-Month is a way to recognize our outstanding volunteers all year round. We ask that members submit nominations of volunteers that are going above and beyond, those members that are making a difference. These members are recognized at our last regular meeting each month. If you believe that you know of (7663) someone who would be a good candidate for this special honor, please leave a request in a sealed envelope in the Lounge. Thank you, John M. Belvedere, Exalted Ruler.
